Overview

This programme aims at upgrading and refreshing the leadership and management skills of supervisors, senior and middle management staff in development finance institutions and similar institutions to be more effective in achieving results with their teams.

Objectives

The objective of this course is to understand the basic elements of an Organisational Leadership Culture and identify critical elements to pay more attention to in order to design, build and implement the desired high performance culture within the organisation. The course will assist with points of reference and tips to help leaders align with and achieve their organisational vision.

Learning Outcomes

By the end of the training, participants of the training are expected to be more effective in:

- Leadership Styles;
- Organisational Culture;
- Effective Leadership Strategies;
- Conflict Management;
- Communication styles;
- Coaching as an effective tool in leadership;
- Manage individual and team performance.

Facilitator

Dr. Dumisani Magadlela (Certified International Executive and Leadership Coach, Pan African Capacity Building Programme – PACBP; Development Bank of Southern Africa – DBSA). He holds a PhD in the Behavioral Sciences, and has numerous qualifications in Organisational Leadership, Coaching and Mentoring.
